OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 6 June 1962

25X1 1. [] - JSW) Tom Keena telephoned indicating he had spoken to Congressman Daddario as a result of my discussion with him earlier in the week. See Journal item of 4 June 1962. Keena said Daddario was very much interested in the general subject of the Joint Committee and would like very much to meet with Mr. McCone to discuss this. I pointed out that Mr. McCone was out of town at the present time but that I would raise this with him on his return and be back in touch with Daddario's office.

25X1 2. [] Met with Francis Hewitt on the staff of Senate Appropriations Committee and reviewed with him the action taken in the House on our appropriations and the subsequent telephone call of 1 June from Representative Cannon to General Carter. I indicated that General Carter, acting on Mr. Cannon's suggestion, had telephoned Senator Hayden to advise him that the House had approved our budget request as submitted. I pointed out that General Carter had also telephoned Senator Russell furnishing him the same message and that Senator Russell had indicated that we were all right on the Senate side. Mr. Hewitt was very happy to receive this information and said he would make a note for the record of the information I had furnished him. He also suggested we furnish him with an appropriate draft of the usual letter from the Chairman of the Committee indicating approval of our appropriation. I said I would be in touch with him on this.

25X1 3. [] - GLC) Mr. Alperovitz, in the office of Representative Robert W. Kastenmeier, called and requested the [] for the month of May particularly items on the [] I advised Alperovitz that we did not make distribution of the [] but I would be pleased to send him the [] sections from the book for the month of May. He said this would serve his purpose nicely.
